

High Grade

Stricter grade requirements of natural wood defects to stop waste on the job sites.

Stabilized Wood Fiber

Reduce shrinking and warping after installation to stop call backs.

Infused Protection

Resistance to rot, decay and insects integrated to the center of the board for a longer lasting fence.

Warranty

Guarantee your quality work with our quality product for the best value.

Pro-Exclusive

Made for the professional by the professional. Not available at any retailer.

Only at Binford

You wanted something better, we got it.
